

Year 6 Plan Intervention Updates			
Intervention Name	New or Continuing	Status	Progress
Heart and Sole	Continuing	Completed	Race was held May 20th, 2017. 431 participants total for the four races. 1,911 miles run/walked/biked in one day by participants.
Run for the Rolls	Continuing	Completed	Race was held August 26th, 2017. 204 participants total (175 for the 1 mile, 29 for the 5K). 157 of the participants were from the 5 Healthy Towns. 142 surveys collected providing feedback on the race and healthy habits. First year for USATF Certification.
Adaptive Movement for All	Continuing	In Progress	Year 6 began in August. A total of 10 classes are being run at this time. Locations include Chelsea Schools, WISD, Silver Maples, CRC, Chelsea Senior Center, St. Louis Center, and Ballet Chelsea. The program has over 100 participants.
Beach Middle School Heart Monitors	New	In Progress	Currently 65 students using the HRM's between two classes. The first trimester the HRMs were used, but not as much as anticipated due to some small tech issues. The issues have been resolved and are now working well and being used during every class period (photo).
Eddy Discovery Center Nature Play Area and Trail	New	In Progress	The Parks Division has cleared and installed the ADA trail base. It will need a bit more stabilizing and smoothing once it has settled in the Spring. Brush and space have been cleared for the Play Area. Orders are being made for installation in Spring 2018.
Camp Gabika	Continuing	Completed	Camp began June 19th, 2017 and concluded August 25th, 2017. This year's camp had 1,534 registrations and 49 days of camp. Campers spent 7 hours per day at camp. Each day included a healthy snack and activities such as cooking lessons and gardening at the Chelsea Intergenerational garden, visits to the library, and presentations by SRSLY to name a few.
Wellness Weekends at Polly's	Continuing	Completed	New marketing up and installed at Polly's including cell phone holders, signs, website, etc. Intervention lead now has office space at Polly's working to utilize data to make a funding request to the market.
Farmers Markets	Continuing	Completed	Market ran Nov 1, 2016 - October 31, 2017. Winter market: 22 markets, average 16 vendors per market, 180 patrons per week. Wednesday Market: 26 markets, 10-15 vendors per market, 275-300 patrons per market. Saturday Market: 26 markets, 19-27 vendors per market, 600-675 patrons per market. In the process of calculating gross sales.
Wellness Resources for Students with Housing Instability	New	Not started	Funds have not yet been applied for
SRSLY	Continuing	In Progress	Year 6 began in July 2017. A revised action plan was developed in winter 2017 that is currently being implemented in Year 6. This year SRSLY is focusing more on policy work as well as conducting cultural competency trainings for students and the community.
