

**Chelsea Wellness Coalition – Friends and Family Wellness**

**Meeting – April 3, 2014 at 6 pm at Atrium B Chelsea Community Hospital**

Ensure all interventions are initiated as planned			
Celebration			
<u>Coalition roles</u> Who sends out agendas and takes notes – need new volunteer May - October Who prepares the agenda Who leads each meeting			
<u>Teams</u> Name teams and ensure each team has a member at each coalition meeting. Determine which teams need support			
Evaluation - Review health data and community gaps (new MiPHY available in July).			
Planning - Develop goals for the coalitions Y4 plan, revise 5 year plan if needed			
Outreach - Seek out interventions that address the new goals that are not already being addressed by current interventions			
Funding - Develop a plan for how to evaluate interventions that received funding in Year 3. Evaluate all interventions related to data.			
Prioritization- Improve the process for how interventions are chosen, how budgets are developed for each intervention , etc. Use list of comments post prioritization meeting in 2014.
