

## Dexter Winter Marketplace

Dexter Winter Marketplace is a winter farmers' market held from 9-1, two Saturdays a month, between November-April at the Dexter Senior Center. It provides healthy food, artisan products, free coffee, tea, and hot chocolate, weekly entertainment, weekly \$20 vendor drawings, a social meeting place, and a place to support local businesses.

Our projected budget for next year will be pretty identical to this year's budget. \$6,500 will be requested, the same as two years ago, with \$6,000 used for salary and \$500 used for paying our musicians. (We pay them \$40-\$80 per week, depending on how many people are performing).

The Farm to Table donations and any other donations will be used for online advertising, newspaper advertising, the \$20 vendor drawings, postcards, fliers, yard signs, additional musicians' pay, and miscellaneous supplies such as balloons, coffee, napkins, 1/2 and 1/2, etc;
