

Yoga in the Park Proposal for Year 6 Plan

Program Description: Moving forward I will propose to hold yoga at 8AM on Saturdays in June, July, and August. It continues to be popular and very well attended. Classes will be offered by a certified instructor free of charge at Mill Creek Park. The fitness class has had low attendance over the past two years and this year will be eliminated. For a future plan (not this year) I will pursue a year round free fitness class at the Dexter Wellness Center that will be open to all area residents.
